(Gwen)

I've got no time for fairy stories
I'm not a little girl
So you can leave me all alone
And turn of the lights as well
If you were frightened then listen
But I don't think you'd like it
Such a nice kid

(Chorus)

Nobody's lookin' now
I throw my toys around

(Gwen)

Somebody's being very bad
I wonder who it could be
Somebody's gon' to get in trouble
I know it isn't me
I'm just a little angel
But cha don't know what I've done
When your backs turned

(Chorus)

(Gwen w/ Elvis Costello)

Pick up those building blocks
Chop off the baby's locks
Swing dolly by her hair
Put down that teddy bear
Slam dunk a happy clown
I throw my toys around

I've got no time for bedtime stories
I'm not a little child
Everything makes me furious
And everything makes me wine
If you are frightened
Then whistle and i'll come running to you
As you boo hoo

(chorus repeated twice)

(Elvis)
I throw my toys around

(Gwen)
I throw my toys around

(Repeated 10 times)
