I want a mom that will last forever
I want a mom to make it all better
I want a mom that will last forever
I want a mom who love me whatever

I want a mom to take my hand
and make me feel like a holiday
A mom to tuck me in at night
and chase the mosters away
I want a mom to read me stories
and sing me a lullaby
And if I get scared at night, to hold me when I cry

Oh, I want a mom that will last forever
I want a mom to make it all better
I want a mom that will last forever
I want a mom that will love me whatever, forever

And when she says to me that she'll always be there
To watch and protect me, I don't have to be scared
O, and when she says I will always love you,
I want need to worry cause I'll know that it's true

I want a mom when I get lonely, to take the time to play
A mom who can be a friend and find a rainbow when it
gray
I want a mom to read me stories and sing a lullaby
And if I find a bad dream, to hold me when I cry

I want a mom that will last forever
I want a mom to make it all better
I want a mom that will last forever
I want a mom who love me whatever, forever
(Repeat)

I want a mom
I want a mom
I want a mom that lasts forever
I want a mom that lasts forever
I want a mom
I want a mom
I want a mom that lasts forever

I want a mom
I want a mom that lasts forever
