# Rugrats
# "My Getaway"

(Ten nine eight,
Seven six five)
Here we go y'all
(Four, three)
Uh
(Two, one
My getaway)
Follow me y'all
Let's go y'all
Huh
My getaway
My getaway
Come on,
Huh,
Come on

[CHORUS]
Do you wanna play outside?
And come with me
It's such a lovely day
I want to go and stay
Wanna come with me
On my getaway

[Repeat chorus]

When you don't
Know what to do
Wanna play
And have some fun
Gotta find a place to go
Just you and me alone
With no one
Somewhere where the
Skies are blue
Fresh air and sunny too
Let's go on a escapade
Just follow me and
I'll lead the way

[Repeat chorus twice]

We can have a barbecue
Eat cake and candy too
Pretend it's a holiday
Your day, my day
His day and her day
This is a special way
To make you feel OK
Any place you wanna go
Enjoy yourself
Make the best of your day

[Repeat chorus thrice]

(Ten nine eight)
Do you wanna play outside?
(Seven six five)
And come with me
It's such a lovely day
(Oh woah)
(Four, three)
I want to go and stay
(Two, one)
Wanna come with me
On my getaway
(My getaway)

Here we go y'all
(My getaway)

(I'm a kid,
You know that I'm good)
(I'm a kid,
You know that I'm good)
(I'm a kid,
You know that I'm good)
(I'm a kid)

[Repeat chorus twice]

(Do you wanna play?)
Do you wanna play outside?
And come with me
It's such a lovely day
(Such a lovely day)
I want to go and stay
Wanna come with me
On my getaway

(Do you wanna play?
A yeay a yeay)
Do you wanna play outside?

And come with me
It's such a lovely day
(Come with me,
Come with me)
I want to go and stay
Wanna come with me
On my getaway

[Repeat chorus]

Do you wanna play outside?
And come with me
(Yeah, yeah)
It's such a lovely day
I want to go and stay
(Yeah, yeah)
Wanna come with me
On my getaway

Uh, uh, my getaway
Haha whoa
