Ten nine eight
Seven six five
Here we go y'all
Four, three
Two, one
My getaway

Follow me y'all
Let's go y'all
Huh, my getaway
My getaway
Come on, huh
Come on

Do you wanna play outside?
And come with me
It's such a lovely day
I want to go and stay
Wanna come with me
On my getaway

Do you wanna play outside?
And come with me
It's such a lovely day
I want to go and stay
Wanna come with me
On my getaway

When you don't know what to do
Wanna play and have some fun
Gotta find a place to go
Just you and me alone with no one

Somewhere where the skies are blue
Fresh air and sunny too
Let's go on a escapade
Just follow me and I'll lead the way

Do you wanna play outside?
And come with me
It's such a lovely day
I want to go and stay

Wanna come with me
On my getaway

Do you wanna play outside?
And come with me
It's such a lovely day
I want to go and stay
Wanna come with me
On my getaway

We can have a barbecue
Eat cake and candy too
Pretend it's a holiday
Your day, my day
His day and her day

This is a special way
To make you feel okay
Any place you wanna go
Enjoy yourself
Make the best of your day

Do you wanna play outside?
And come with me
It's such a lovely day
I want to go and stay
Wanna come with me
On my getaway

Do you wanna play outside?
And come with me
It's such a lovely day
I want to go and stay
Wanna come with me
On my getaway

Do you wanna play outside?
And come with me
It's such a lovely day
I want to go and stay
Wanna come with me
On my getaway

Do you wanna play outside?
And come with me
It's such a lovely day
I want to go and stay
Wanna come with me
On my getaway

Here we go y'all

My getaway

I'm a kid
You know that I'm good
I'm a kid
You know that I'm good
I'm a kid
You know that I'm good
I'm a kid

Do you wanna?

Do you wanna play outside?
And come with me
It's such a lovely day
I want to go and stay
Wanna come with me
On my getaway

Do you wanna play outside?
And come with me
It's such a lovely day
I want to go and stay
Wanna come with me
On my getaway

Do you wanna play outside?
And come with me
It's such a lovely day
I want to go and stay
Wanna come with me
On my getaway

Do you wanna play outside?
And come with me
It's such a lovely day
I want to go and stay
Wanna come with me
On my getaway

Do you wanna play outside?
And come with me
It's such a lovely day
I want to go and stay
Wanna come with me
On my getaway

Do you wanna play outside?
And come with me
It's such a lovely day
I want to go and stay

Wanna come with me
On my getaway

Uh, uh, my getaway
Woo
Well, just a getaway
