This nothing  
Not at all the same  
As I see you  
I realise  
That you never can feel  
That your senses don't  
Pick up the sound of my cry  
This my cry  
Always the same  
As I see you  
But when your gone  
It vanishes into silence  
When you are elsewhere  
This my cry  
Falling down  
Don't frighten me  
As I speak to you  
I realise  
That falling ain't dangerous  
It's hitting the ground that  
scares me  
You're always  
Breaking me apart  
As I look at you  
Through the looking glass  
I can watch your eyes  
As they stear back  
And I shrink back in pain
