When I just walk in the town  
Every fucking man has a down on me  
They dislike my clothing and my long hair,  
Earrings and slang. Who cares?

Can I feel what every man feels every day?  
Yes I feel that. It's my way. I'm not a vain!

They think I have devil's sould  
But I know I'm not alone, alone.  
Why have you to look like they?  
Every man asks me... I say - "it's my way"

Can I feel what every man feels every day?  
Yes I feel that. It's my way. I'm not a vain!

Don't look like man which tells me  
When you have to be like normal men  
Already better be like yourself...  
Don't look like man which tells me  
When you have to be like normal men  
Already better be like yourself...

Can I feel what every man feels every day?  
Yes I feel that. It's my way. I'm not a vain!

I'm not a vain, yeah!  
Not a vain...  
Vain...
