Did you find depths of mind?  
I want you to feel  
Do you hear screams from fear?  
I want something to reveal for you

Open your eyes, what do you see?  
You see only me  
Give a glance to distant tree  
It looks like me  
Why did you find the way?  
It is in grain  
But if you do a mistake  
It leads astray

Don't take my name in vain  
Don't take my name...

Take your chance don't look back  
There can be a dark  
Heal your soul it's not a crack  
Don't be a shark
