### **"End Of Prayer"**

Life is ours and every day for us something new  
We don't want to know what do we really want. Is it  
true?

End your prayer to a God  
Move fight in yourself

Why, have I try to comprehend the truth and lie  
To behave myself even I can't do it  
Now, when I know where to go and how to live in this  
world  
I'll show you who I am and what's in my mind

Many times we hear what's about what we have to do  
Can we dream about world which we create or subdue

Why, have I try to comprehend the truth and lie  
To behave myself even I can't do it  
Now, when I know where to go and how to live in this  
world  
I'll show you who I am and what's in my mind

End your prayer to a God  
Move fight in yourself

Why, have I try to comprehend the truth and lie  
To behave myself even I can't do it  
Now, when I know where to go and how to live in this  
world  
I'll show you who I am and what's in my mind
