Open mind for me  
I will want to say for you  
You will understand  
Never say goodbye  
I will know that from your eyes  
Take my breath away

Never say goodbye  
I will know that from your eyes,  
From your eyes...

Forgive, if somebody forgot your words  
Perceive, that nobody cares of your thoughts  
Believe in yourself and feel delight  
Receive, that in your hands you keep your life

What's the price of life  
Pay your price for happiness  
Who knows how to live  
Do not affraid of truth  
Many times I heard these words  
Who will need me... yeah

Do not affraid of truth  
Many times I saw these words  
In your eyes...

Forgive, if somebody forgot your words  
Perceive, that nobody cares of your thoughts  
Believe in yourself and feel delight  
Receive, that in your hands you keep your life

Forgive, if somebody forgot your words  
Perceive, that nobody cares of your thoughts  
Believe in yourself and feel delight  
Receive, that in your hands you keep your life
