And what the fuck do I know?  
But broken hearts, some unsung songs  
I never had it hard it enough  
So I drag my feet as much as I can  
The product of excuses  
Brave only compared to some  
I consider myself a lucky kid  
But I'm pretty good at fucking up  
Young, Angry and White  
A victim of the middle class  
So much to prove  
So much to say  
When will I be done screaming?  
Never take me seriously  
Cause who the fuck am I  
Just some awkward kid  
From a shitty town  
No different than any of you  
Quick with exaggeration  
Philosopher to some  
But a story teller to anyone  
Who, is truly listening  
I'm inspired by  
The fact that I  
Still get out of bed  
I'm over dramatic  
Most of the time  
Attention whore,  
Known to be I'll tempered  
I got a way with fucking words
