I've been walking so long  
I've been calling out to you  
My feet bleed, skin torn to bone  
Your eyes look deep into my  
Own as I begin to realise this aint a dream  
Oh girl you know you are a dream  
To me you are a queen

Dance the night away with loved ones in our arms  
And we sing

I've been running so long  
I've been screaming out to you  
The voices in my head tell me  
That you'll never call on me girl  
I pray someday soon I'll see your smile  
For real I know to feel you in my arms would truly be so

Now I got a hold on you girl  
Now I won't let you go
