They break contract  
Just as they like i  
They murder unti  
Everybody is pole by frigh  
And they talk about peaceful victorie  
They explote yo  
And lie to the worl  
They spread violenc  
Blood and tear  
But you still trust the  
And give them mone  
But you don't dar  
To fight the dange  
Fright or stupidit  
Makes you follow the  
You're guilty as well a  
The other, wan't you finall

When you hea  
The sound of siren  
The blame sticks on yo  
Like poison stand u  
But who's aware of thi  
And conceals it to natio

And only wants to enjoy the presen  
This person is a scam
