"4 Walls"

Lonely people, don't think that I am one of you, it's true,
I spend my days alone, but I'm not crying in my room...

I am loving... these 4 walls...
Oooooo these 4 walls ooooo these 4 walls, you see,
there moving in on me

When I wake up in the morning
I mark the day, I draw a line, alone, before I go to sleep
in the evening,
I rub it out and I turn back time... alone

These 4 walls
These 4 walls
These 4 walls
You see! there moving in on me!
