

Rumpelstiltskin Grinder "Equipment Crusher"

Visit "[Equipment Crusher](#)" on MotoLyrics.com

As the acid rain goes on and on and on...endless
Machines taking hold, a struggle to control
Tormented inside, a million particles become a whole
A life that is yours and yours alone,
Taken down to the combat zone

We will crush you!
In a flash thrash you!
With a rush bash you!
Get paid cash to smash you!
Drill crusher
Mighty big drill crusher
You drill and drill and drill and drill
Mighty...crusher!
Can you see, me? Trapped
Can you feel, me? Cornered
Can you touch, me? Unfree
(Machine..Machine..MachineMachineMachineMachine)
As the acid rain goes on and on...
