Before the dawn,
Shaking off the dusty sandman's moan
In a blink, a ring,
She's up, and full of breathe
Up to the site
Mary wants to know what it's all about
On the spot, she lets out
All her secret thoughts

It's getting late,
Sorry eyes, it wasn't my mistake,
Take it gently now
Then Cough and head your way
Back to the site
Building up to what it's all about
With a shock, she said
It's all without respect

I missed the point
About the real thing
But I know I really care
I'm just a coward in disguise

And I can't swim
It's just as so
It crossed my mind
And lingers on

I'm pleased to see
You're just like me
A silent hiss
So solid gone

And I can't swim
It's just as so
It crossed my mind
And lingers on

I'm pleased to see
You're just like me
A silent hiss
So solid gone

It's getting late,
Sorry eyes, it wasn't my mistake,
Take it gently now
Then Cough and head your way
Back to the site
Building up to what it's all about
With a shock, she said
It's all without respect
Without respect
