Go crazy, but don't go far
I miss you right now
I'll spend all my days and nights,
Just looking for you.
Go crazy, but don't go far
I miss you right now
I'll spend all my days and nights,
Just looking for you.
And I saw you on tv, and I claim it's just for me
For me
Aahhaa
Forget all my silly lies, too drunk to be true
I'll push all my plans aside,
So hungry for you
And I saw you on tv, and I claim it's just for me
For me
Go crazy, but don't go far
I miss you right now aaah
I'll spend all my days and nights, aaah
Just looking for you.
Forget all my silly lies, too drunk to be true
I'll push all my plans aside,
So hungry for you
Aaahhh
