Don't enrage when I grab this flame
And stand my ground to set a blaze
The path between us is here and there
Just dont forget my name
Birds in the bush have all the fun
That's why there's two instead of one
You might not know where you're headed
Just dont change your pace when you done

Burn burn
Burning bridges down
Turn turn
Turn it all around
Burn burn
Burning bridges down
What are you gonna do?

Decision of the hardest kind
My train of thought my state of mind
Whatever path I must stay true
I must believe in what I do

Burn burn
Burning bridges down
Turn turn
Turn it all around
Burn burn
Burning bridges down
What are you gonna do now?

What are you gonna do?

Steady hands the ashes fall
I've built no bridge I've built wall
As long as I beilive my word
I cannot fail, I cannot fall

Burn burn
Burning bridges down
Turn turn
Turn it all around
Burn burn

Burning bridges down
We turn it all around

Burn Burn Burn
Burning bridges down
Turn turn turn
We turn it all around
Burn burn burn
Burn those bridges down
