Well life's running forwards, at full speed,
I'm not looking backwards, again,
My shoes are untied...
Of all the kings horses,
And all the kings men,
The feeling of home,
Won't be mine...
So put your hand in mine,
Look to the sky...

We will be together,
It's only a matter of time, (matter of time)
It's you and me together... (forever).

I'm not running forwards, at full speed,
I'm not looking backwards,
So put your hand in mine,
Together we will fly,
Together we will... (fly).

We will be together,
It's only a matter of time. (matter of time)
It's you and me together... (forever)
We will be together,
It's only a matter of time, (matter of time)
It may seem like forever,
Forever's just a matter of time...

Give up your hands to... (the sky)
(Forever, I let you go)
(Forever, I let... you... go)
(I never, let you go)
(I never... let... you... go)

(You know I would beat myself to be with you)
(I can't find somebody else)
(Who's just like you)

We will be together,
It's only a matter of time, (matter of time)
It's you and me together... (forever)
We will be together,

It's only a matter of time, (matter of time)
I'm saying just remember,
Forever's just a matter of time...
A matter of time...
A matter of time...
