Ay papi, tu sabe, yo tengo (??)

[Run]

Got senioritas in Adidas over in Spain
The Don of San Juan got 'em goin insane
Got chicks in Spanish Harlem holdin they brain
In Sao Paolo they follow, doin the same
Admiration for Run since "Sucker M.C.'s"
Papi bilingual, sell a single with ease
Y'all think that I'm done, Run don't got no flow?
What is you loco? I'm grande gato pa-po
Run and Bo, D.M.C. and Fat Joe
Fo' cats on the same track got dough
Us cuatro, lock flow, you don't know?
From New York City to Puerto Rico (whoa)

[Chorus]

Ay papi, tu sabe, yo tengo (??)
You got my fire burnin..
Ay papi, tu sabe, yo tengo (??)
You got my fire burnin..

[Fat Joe]

Uhh, uhh
What's goin on black? Goin platinum and beyond that
Layin down the format, sippin on that Cognac
Where the Don at?
I'm at Hollis with the kings payin homage to the things
they accomplished in they teens and I never stop
throwin them flings
Control of the game, I'm right here over the rain
A human pot of gold, I already had a lot of flow
Ready to rock steady with Run and make a lot of dough

[D.M.C.]

You might tell from the way I talk
that sucker MC's is who I stalk
Create in a rhyme that is in formation
Or why I made such a rap creation
That is bound, to be reknowned
within this city as a funky sound

And to those that try to put me down
My DJ has jams, by the pound (c'mon, let's go)

[Chorus]

[Bo Skaggs Nitty]

Skaggs Nit'

Aiyyo I rolled up, in the spot that I rolled up

My ice glitter like hold up

All the chickens like, "Look at Bo, he done growed up

Thinks he the bomb, bet his beeper stay blowed up"

So much frost on my wrist look my fist froze up

A photographer is tryin to get a little close up

Why cause I'm a star now? Buy out the bar now?

Or I press one button, start up my car now?

I heard that you wanna spar now, so baby it's on

I spit flows, rip shows 'til the day that I'm gone

And this day I hit 'em off I'll have America sewn

Rich plat', rims chrome, spin (?) to your dome

I entered your home, lick you down, strictly to bone

The hit that I'm on got Spanish mamis singin my song

[Chorus - 1.5X]
