Afros.... yeahhh
AFROS! Yeahhh
Brothers be out there doin crack... NOOOOOOOO
They be doin dope... NOOOOOOOO
They be gangbangin! NOOOOOOOO
All them brothers need to just
pause
Yeah I'm with that
Here comes the Afros and the forty ounce crew
Who say slowly but surely we gonna turn the mother
out
We got more in store young ladies on the floor so cool
out
pause
Intro which means I start it
In other words, herbs departed
Pause, stop for the cause
Get up, get down, you get yours
Chill, no time to get ill
Word to herb -- yeah it's the will of God
So whassup Hobbes?
Just jock, clock, rock, and don't stop but
Pause
Pause, pause for the cause, get yours
But don't break laws
Quit, quit it, forget it
Pause, say your way with it
Pause, if you did it, admit it
Cause, you shouldn'ta did it
Next time, you think of doin a crime
Pause, and remember this rhyme
Pause for the cause, cause broken laws
Are just like broken jaws
They take a long time to heal
I'm for real, and I know the deal
Look it over, investigate
Evaluate, think!
Life is wrong, and full of flaws
Before you break laws just pause!
I think that worked man (4X)
Pause
Yeah pause, this beat is dope D

I'm tellin you, this beat is dope, just slammin, it's dope
Well if it's dope, I hope it's not crack
or coke, or nuttin like somethin you EVER smoke
And if they offer you some say NO
or pause
The reason I wrote this rhyme, is not to climb
But just to tell all mankind
That the use and abuse of drugs -- will what?
Will, blow, your, mind
Like dough mak
