(Let's together)

Yo, yeah, DMC, my man and the place to be

Yo, this song's dedicated

(Whether)

(Whether)

To all those who been down with

Each other since day one, just keep it together

(Good or bad, happy or sad)

Now we been all around the world from the corner of  
the block

To the top of the world and back

Put a Roley on the ave ain't nobody ever have

And a brand new jet black Cadillac

You been down since day one and no matter where I go

People wanna see you next to me

They say what's up with D

I used to jam all across the land, the Coliseum, even

MSG

When raise hell with the cassettes in the shells

In the plush hotel after every show

We were just kissing the mic, livin' the life

Of MTV and the radio

And so you, J and me since '83

Been livin' and stickin' together like a family

And no matter what the rumors be

It's guaranteed that I'm for you and you for me so

Let's

(Let's)

Let's stay together

(Together)

Lovin' you whether, whether

(Whether, whether)

Times are good or bad, happy or sad

(Good or bad, happy or sad)

Yo, now I'm up on the mike  
Can't touch my love for my wife, baby, I ain't goin'  
nowhere  
Specially the way you smile when you have my child  
And when I rock the crowd, can't wait to be right there

Even my kids that ain't yours still yours  
'Cause you love 'em and you treat 'em like your very  
own  
We be holdin' hands and I be holdin' doors  
And with my mother-in-law spend time alone

Call about five hundred times a day  
When I'm off and gone 'cause I'm on the road  
And when I'm on the phone you know, I wanna be home  
'Cause that's the one and only spot where I really  
belong

You know I love callin' you the preacher's wife  
With the keys to the Bentley livin' it up  
And everybody would know, done seen us in the video  
On the dance floor, straight cuttin' it up, I love you,  
baby

Let's  
(Let's)  
Let's stay together  
(Together)

Lovin' you whether, whether  
(Whether, whether)  
Times are good or bad, happy or sad  
(Good or bad, happy or sad)

To me you mean the world, no matter what it is you say  
I always will be there for you  
So no, no matter what, let's stay together  
Through the good, bad, happy or sad

You mean the world, no matter what it is you say  
'Cause I always will be there for you  
So no, no matter what, let's stay together  
Through the good, bad, happy or sad

Let's  
(Let's)  
Let's stay together  
(Together)

Lovin' you whether, whether  
(Whether, whether)

Times are good or bad, happy or sad  
(Good or bad, happy or sad)

Ain't no reason to leave nobody you love  
Best thing in life is to have somebody  
So keep it together  
(Good or bad, happy or sad)
