JUSTINE is my valentie

Money, making money be your love for life
People bankin' dem Ben Franklins and I got to get mine
Speaking for you to your lawyer but you contract the
sign
Made your paid miss catchin' vables from your friends
all the time
Mama sailing for my ladies love to shippin' around
I'm in runnin buyin' diamonds when he go shine
Keep with afro's every time
So I dedicate this join here to my valentine

My funny valentine, sweet comic valentine
You make me smile with my heart
Your looks are laughable, unphotographable
But you're my favourite work of art

Praise my djs while he plays at raged
People hyper for the type of life I live on my days
Living stepping
Runnin' wanna know you wanna but she's out of your
veins
People nagging that's cost wife me like me wear in the
shell
And I might be more than likely so they like me like else
Put your product in my wing and tryin to get up with
mine
But my JUSTINE is my valentine

My funny valentine, sweet comic valentine
You make me smile with my heart
Your looks are laughable, unphotographable
But you're my favourite work of art

Things buyin Hawaii from Beverly Hills
Back to JFK no no rebel stay ill
Rock and roll is drive me dopes be like my homie by
mails
Keepin' dollars upon highlets come from skate no skills
Now my mummy where our money buy me

Every CD be like dine and wine
That's my mummy she's got Gucci every design
But two misses still go be worth my valentine

My funny valentine, sweet comic valentine
You make me smile with my heart
Your looks are laughable, unphotographable
But you're my favourite work of art
