And you say..

As we go, with the rhyme flow

Just to let you know, Darryl and Joe

Featuring DJ Jam Master Jay

All the motherfuckin way

One time, just to blow your mind

And this is how we do it, just for the people

Sucker D.J.'s are really crazy clowns

Clowns - cold clockin clowns

When will they learn that they had ? by the pounds

Pounds - cold clockin pounds

Sucker D.J.'s bite our lines up all damn day

All - all damn day

Sucker D.J.'s that's on Jam Master Jay

Uhh ahh ahh uhh ahh ahh

Jam Master.. aiyyo..

The crew is here with you, a check it out y'all

Jam Master.. ah tell me

What the fuck you gonna do?
