This speech is my recital  
I think it's very vital  
To rock a rhyme  
That's right on time  
It's tricky tricky yo here we go

It's tricky to rock a rhyme  
To rock a rhyme that's right on time  
It's tricky,  
Its tricky tricky tricky tricky  
It's tricky to rock a rhyme  
To rock a rhyme that's right on time  
It's tricky (Yo its Tricky) Its tricky tricky tricky tricky

They say I'm over rated  
Musicians really hate it,  
My name is Run  
Im number one  
Its very complicated,  
You might think its a snap,  
A snap to make a rap,  
Well if you do, Me an my crew,  
Will tell you its a fact

It's tricky to rock a rhyme

I met this little girlie, her hair was kind of curly  
Went to her house to bust her out, I had to leave real  
early  
These girls are really sleazy, all they just say is please  
me  
Or spend some time and rock a rhyme, I said it's not  
that easy

It's tricky to rock a rhyme

In New York the people talk and try to make us rhyme

They really hope, that we just wont, because we have  
no time  
And in the city it's a pity, 'cause we just can't hide  
Tinted windows don't mean nothing, they know who's  
inside

It's tricky to rock a rhyme  
To rock a rhyme that's right on time

HUH!

When I wake up people take up mostly all of my time  
I'm not singing, phone keep ringing cos I make up a  
rhyme  
I'm not bragging, people nagging, 'cause they think I'm  
a star  
Always tearing what I'm wearing, I think they're going  
too far  
A girl named Carol follows Darryl every gig we play  
Then he dissed her and dismissed her, now she's  
jocking Jay  
I ain't lying, girls be crying, 'cause I'm on TV  
They even bother my poor father, 'cause he's down  
with me

It's tricky to rock a rhyme  
To rock a rhyme that's right on time  
It's tricky (Its Tricky) tricky tricky tricky tricky  
It's tricky to rock a rhyme

We are not dumb, we don't use drugs, but you assume  
on your own  
They offer coke and lots of dope, but we just leave it  
alone  
It's like that y'all, but we don't quit  
You keep on, rock shot, cause this is it

It's tricky to rock a rhyme  
To rock a rhyme that's right on time  
It's tricky (Its Tricky) tricky tricky tricky tricky
