Wake up, wake up, get up
Wake up, wake up, get up
Wake up

When I woke up this mornin' and got out the bed
I had some really fresh thoughts goin' through my
head
They were thoughts that came from a wonderful dream
It was the vision of a world workin' as a team

It was a dream
(Get up)
Just a dream
(Wake up)
(Wake up, get up)

There were no guns, no what
No tanks, no what, atomic bombs
And to be frank homeboy there were no arms
Just people workin' hand in hand
There was a feelin' of peace all across the land

It was a dream
(Wake up)
Just a dream
(Get up)
(Wake up, wake up)

Between all countries there were good relations
There finally was a meetin' to united nations
And everybody had an occupation
'Cause we all worked together to fight starvation

It was a dream
(Wake up)
Just a dream
(Wake up)
(Get up)

Everyone was treated on an equal basis
No matter what colors, religions or races
We weren't afraid to show our faces

It was cool to chill in foreign places

It was a dream

(Get up)

Just a dream

(Wake up)

(Wake up, get up, wake up, wake up, get up, wake up)

All cities of the world were renovated

And the people all chilled and celebrated

They were all so happy and elated

To live in the world that they created

It was a dream

(Get up)

Just a dream

(Wake up)

(Wake up, get up)

There were no street people, we live rent free

And every single person had a place to be

A job, a home and the perfect pay

And the world was free of greed and hate

It was a dream

(Wake up)

Just a dream

(Get up)

(Wake up, wake up)

Unemployment was at a record low

And the presidents were chillin' at our show

Listenin' to the things that we had to say

And tryin' to create a new and brighter day

It was a dream

(Wake up)

Just a dream

(Wake up)

It was a dream

(Get up)

Just a dream

(Wake up)

It was a dream

(Wake up)

Just a dream

(Get up)

It was dream

(Wake up)
Just a dream
(Wake up)

Get up, wake up, wake up
Get up, wake up, wake up
Get up, wake up, wake up
Get up, wake up, wake up
