For thou sweeps me  
In thy robe of guilt  
With garments forged  
In spiteful steel  
No tainted pride  
Shall make conviction cease

But none shall be unto thee proven  
Worthy of thy outmost fear  
Let alone the silent longing  
Instinct shun the ones you dear  
Instinct shun the ones you dear  
Worthy of thy outmost fear

As the hunter boldly stalks his prey  
Intoxicated  
Conviction reigns where truth might sway  
Intimidated

Silence the bore, silence the bore  
Silence the bore [Incomprehensible]  
You shun the ones you dear

The hunt is over  
So the feast begins  
What feast is enduring  
When all is said and done

Ever change of hearts, oh  
Ever change of hearts  
Silence the bore, silence the bore  
Silence the bore

The hunter's reason  
The hunter's reason fail  
The hunter's reason  
[Incomprehensible]

The hunt is over  
So the feast begins  
What feast is enduring  
When all is said and done?

When all is said and done?
