[music: Jivarp, Henriksson]

Wrestled on its back  
the ego showed his face  
charged up, recieving  
came out knowing it all

Hopeless intrusion  
where nothing can be found  
strewn, the seeds were wasted  
on the innocent in awe

fruitless connection  
in the ripeness of his age  
drawn and thrust in anger  
the dagger once again will fail

The ego drama unfolds  
hopeless intrusion  
where nothing can be found  
strewn, the seeds were wasted  
on the innocent in awe

it's over it's over  
if nothing comes along  
it's over it's over for you  
So in denial stand where shame is not  
and unto others fall  
the blame, the guilt,  
the others fault  
come on now-  
scratch and claw give it with all your strength  
take on the wildest bull in the horde  
come burn them fingers fast  
and take back what they owe  
return the safety where there was none

Hopeless intrusion  
where nothing can be found  
strewn, the seeds were wasted  
on the innocent in awe  
fruitless connection

in the ripeness of his age  
drawn and thrust in anger  
he dagger once again will fail
