Rise, i say, yes rise above  
'cause evil is as evil does, what evil does to me

Down you go to lands below  
'cause evil is as evil does, what evil does to me

They who reign in sand  
Take this brightest strike  
In their so called castles  
Now with walls of glass

I can see, i can see, i can see  
All your deeds, all your needs, on your knees  
So i'll crack your feeble shell

Can you even see the works of what you fear?  
'cause evil is as evil does what evil's done to me

Further inside, til all you have is mine  
Evil is as evil does, the evil done to me

Dreams, he said  
Dreams he wore  
Dreams he wore  
Dreams he wore  
Hope, he said  
Hope he wore  
Love, he said  
And evil he wore  
I'll strip you down  
I'll tear you down  
I'll burden you with tears  
I'll bring you down  
Till nails come off  
I'll turn your bed of lies  
Dreams upon a night  
Dreams upon your thoughts  
Dreams upon your fears  
And dreams upon your love

Blind to your eyes, blind to your mind  
'cause evil is what evil does, what evil does to me

Taste and you'll see the fruit you took is foul  
Evil is what evil does, what evil's done to me

You who turn to others  
With everything you lack  
A face that bears not seeing  
Then i'll turn my back

I can see, i can see, i can see  
All your needs, all your deeds, on your knees  
So i'll crack your fucking shell
