What if:

- a) some things are destined to failure
- b) some things are never meant to be
- c) someone never sees
- d) someone never opens
- e) somehow we are different

Though I never claimed to be right  
give to me the benefit of doubt

I brought you fires  
that you put out  
I brought you fires  
for I cannot be without  
I came with sadness  
but this my shattered heart can't bear  
What of the times in exile  
what of the hours passed  
what if touches seem too trivial

You can never tell me I'm wrong  
a song I've heard so long

So what if healing takes forever  
so what if time is meant for others  
so what is left is but a shatter  
and what is broken can't be whole
