"I Saw The Light"

It was late last night
I was feeling something wasn't right
There was not another soul in sight
Only you, only you

So we walked along
Though I knew there was something wrong
And the feeling hot me, oh, so strong about you

Then you gazed up at me
And the answer was plain to see
'Cause I saw the light in your eyes

Though we had our fling
I just never would suspect a thing
'Til that little bell began to ring in my head, in my head
But I tried to run
Though I knew it wouldn't help me none

'Cause I couldn't ever love no one, or so I said
But my feelings for you were just something
I never knew 'til I saw the light in your eyes

But I love you best
It's not something that I say in jest
(Ha ha)
'Cause you're different, girl, from all the rest in my
eyes

And I ran out before but I won't do it anymore
Can't you see the light in my eyes
