At the horizon's end
The dark edge of life
Behold the abyss heart
Flames tear my soul apart
...apart

The last step on earth
In darkness i will rebirth
Travel thru time and space
Beyond this human race
...race

A journey... in infinite spheres
On wings... of triumph
A journey... beyond the horison's end
Departure... away from this... PAIN!

Memories of twisted faces
Morbid voices in a race
They fade away
As i travel away
...away

The last step on earth
In darkness i will prevail
A ruler of time and space
Beyond this human race
...race

At the horizon's ned...
