Music: N. Rudolfsson

Lyrics: Whiplasher Europa

The paths lie empty so silent so young
The Pleiades lick the roads with a silvery tongue

The distance shrieks and icons crack
Never was forever but now that time is back

.When death rolls upon the table of the gods!

Breathe in damnation
Equilibrium falls for my temptation
Utopia decays
Demons and angels stand face to face

One road to Megiddo
Chaos cries and cherubs die for the lord of flies
One road to Megiddo
Spit on time's hand; bite the lands with the fire's fangs
Megiddo Breakdown
Morning comes as death
Hovering upon the Westside path
The altar is crushed
And so heaven was blood and blood was rust

And the fields crawl in ashes
And shields break for the whiplashes
And the juxtaposed worlds collide
It's like dagger in the head of a child

Breathe in damnation
Equilibrium falls for my temptation
Utopia decays
Demons and angels stand face to face

One road to Megiddo
Chaos cries and cherubs die for the lord of flies
One road to Megiddo
Spit on time's hand; bite the lands with the fire's fangs
Megiddo Breakdown
