On the road
On your own
With a sky full of renegade diamonds

At your job
On the clock
Thinkin of tearin down these paper walls

If it's all in your head
There's a chance it could be happening
Call it it coincidence
Whatever make you BELIEVE

Today is all you'll ever need
If you BELIEVE in me
Today is all you'll ever need

You at war
Far from home
People prayin for you to make it out

You at school
Up all night
Earn that "A" for anxiety
Call it chance call it luck
No matter what...

If you BELIEVE
Today is all you'll ever need
If you BELIEVE in me
Today is all you'll ever need
If you BELIEVE
I wont let you down

I've been meaning to tell you something
I've got this feeling we should runaway
I've been meaning to tell you something
Somethings tellin me to run away
I've been dyin to tell you
I've got this feeling yeah lets run away
Ya gotta BELIEVE

I've been dying to tell you (x2)

If you BELIEVE
Today is all you'll ever need
If you BELIEVE in me
I wont let you down (x2)
