Here's to you
Here's to me
Here's to all our memories so faded
Heres to fallin in love
Heres to fallin apart
Heres to everything we are

It's so the worst position
When she so doesn't listen

Maybe the money
Maybe the waiting
Maybe the games we keep playing

I wanna run into your arms
(Run into your arms)
I wanna be right where you are
(Right where you are, right there with you)
I can't live with you, I can't live without
Run into your arms

Heres to love
Heres to hate
Heres all our precious time so wasted
Here to just letting go
Heres to walking away
Heres to every single day

It's so the worst position
When she so doesn't listen
Maybe the money
Maybe the waiting
Maybe the games we keep playin

I wanna run into your arms
(Run into your arms)
I wanna be right where you are
(Right where you are, right there with you)
I can't live with you, I can't live without
Run into your arms

We could let it go
I can't let it go
We could let it go
I can't let it go

I wanna run into your arms
(Run into your arms)
I wanna be right where you are
(Right where you are, right there with you)
I can't live with you, I can't live without
Run into your arms
I can't live without you

Run into you arms
