On the road  
On your own  
With a sky full of renegade diamonds

At your job  
On the clock  
Thinkin of tearin down these paper walls

If it's all in your head  
There's a chance it could be happening  
Call it it coincidence  
Whatever make you BELIEVE

If you BELIEVE  
Today is all you'll ever need  
If you BELIEVE in me  
Today is all you'll ever need  
If you BELIEVE  
I wont let you down

You at war  
Far from home  
People prayin for you to make it out  
You at school  
Up all night  
Earn that "A" for anxiety  
Call it chance call it luck  
No matter what...

If you BELIEVE  
Today is all you'll ever need  
If you BELIEVE in me  
Today is all you'll ever need  
If you BELIEVE  
I wont let you down

I've been meaning to tell you something  
I've ben dyin to tell you  
I've been meaning to tell you something  
I've got this feeling we should runaway  
Ya gotta BELIEVE

If you BELIEVE  
Today is all you'll ever need  
If you BELIEVE in me  
Today is all you'll ever need  
If you BELIEVE  
I wont let you down
