She's not so ordinary
Hopefully not temporary
Tellin me white lies
To get on my good side
I don't even know you
But how do I get you all alone?

I can't STAND IT
I can't STAND IT anymore
When it feels so good to be so bad
I can't STAND IT
How much longer til I make ya mine?
Yea it feels so good to be bad we could be so bad

I'm without a leg to stand on
Will you please carry me
Lock me in your ivory tower
And throw way the key

I can't STAND IT
I can't STAND IT anymore
When it feels so good to be so bad
I can't STAND IT
How much longer til I make ya mine?
Yea it feels so good to be bad we could be so bad
