Turnin' my snowshoes in for flip-flops
Throwin' away my overcoat
Tradin' all my heavy socks for tank-tops
Sellin' all my worn out winter clothes

It's goodbye 95, hello 101
Later, on Jersey Shore, what's up Cali sun?

It's Christmas In California
It's New Years in West L.A.
It's perfect with you in my arms now, baby
And I wouldn't have it any other way
You're my holiday

Changin' the far leaves to palm tress
Throwin' one last ball of snow
Toss out the sweaters cause I'll be
Baskin' in a warmer afterglow

It's goodbye grey skies, hello Pacific Blue
Later, New York, what's up Hollywood?

It's Christmas In California
It's New Years in West L.A.
It's perfect with you in my arms now, baby
And I wouldn't have it any other way
You're my holiday

We'll have our toes in the sand
Stroll on the beach hand in hand, yeah
There's nowhere else in the world
I'd rather be, than here with you tonight

It's Christmas In California
It's New Years in West L.A.
It's perfect with you in my arms now, baby
And I wouldn't have it any other way

It's Christmas In California
It's New Years in West L.A.
It's perfect with you in my arms now, baby

And I wouldn't have it any other way
You're my holiday
