It's the middle of night
I don't wanna fight
So shut up and drive to me

Let's make it right
I'll leave on a light
Maybe this time you'll see
You're taking it all out on me

You're a drama queen
You're a princess, too
And somewhere in between
I hate the way I'm falling for you

Monday, you're rad
Tuesday, you're sad
Wednesday, you're mad at me

Why be a bitch and play hard to get?
Where's my apology?
Don't turn around, keep going down
Down this road you're taking

Stop taking it all out on me
Always taking it all out on me

You're a drama queen
You're a princess, too
And somewhere in between
I hate the way I'm falling for you

You're such a drama queen
You're a princess, too
And somewhere in between
I hate the way I'm falling for you
I said I hate the way I'm falling

I hate the way
Falling, falling
I hate the way
Falling

You're a drama queen
You're a princess, too
And somewhere in between
I hate the way I'm falling for you

You're a drama queen
You're a princess, too
And somewhere in between
I hate the way I'm falling for you

You're such a drama queen
You're a princess, too
And somewhere in between
I hate the way I'm falling for you
I said I hate the way I'm falling for you
All right
