(Rolf Kasperek)

Only when the last dragonslayer has been layed by the heels

And his deminic soul is melting in the holy flames of eternal truth

The dragons kingdom will return to free the enslaved soul

From his shackles of hate

Urn to free the enslaved soul

That will be the time, when the Serpent looses it's tongue and it's head!!

The kiss of the Serpent brings darkness and torment

They fight the defender with treason and slander

Seducing to blindness, soul?s getting mindless

They?re slaying the dragon, the?re hunting the pagan

When the unerring law of the dragon returns, to wipe away all the pain

The Serpent is banned and the soulless will burn, the root of all evil to tame

No resurrection with evil?s attraction

Denying it's spell, might save you from hell

When the unerring law of the dragon returns, to wipe away all the pain

The Serpent is banned and the soulless will burn, the root of all evil to tame

The death of all badness brings the end of all madness

Misleading liars, they will burn in the fires

When the unerring law of the dragon returns, to wipe away all the pain

The Serpent is banned and the soulless will burn, the root of all evil to tame
