1692, the 29th of May
Sir "tourville", the admiral, his fleet is on it's way
He commands his ships to 'fight, they attack the British
line
He must be caught in senseless pride, to him his
honour's prime
His mighty flagship strong and brave, heading for the
fight
It pets the British men to grave, cruising through the
tide
The veil of night obscures the sea, the tables getting
turned
Confusion rules, no chance to flee, his fleet is getting
burned
Cannons speak the fatal words, the language of death
Wipes away to many men, takes away their breath
Heat and fire, burning pyre
Smoke and flames, a raging hell
Death and blood, the fatal rub
Blows away "Soleil Royal"
Their position's getting intricate, heading for
"Cherbourg"
Desperately they dare their fate, they feel too much
secured
Cannons fire round by round, the smell of acred smoke
Vibrating full from top to ground, shacken by it's poke
Cannons speak the fatal words, the language of death
Wipes away to many men, takes away their breath
Heat and fire, burning pyre
Smoke and flames, a raging hell
Death and blood, the fatal rub
Blows away "Soleil Royal"
To cape "Barfleur" they try to flee, the battle's raging
hard
Balls of lead rushing the sea, hit the hull windward
The English-man hard on their trace, follow turn by turn
A heavy round, the coupe de grace, tearing up it's
stern
[Solo]
The powder in the storage room, litten by a spark
Bursting kegs, a giant boom, tear the deck apart

The blood spills of the scupperholes, the sea is turning
red
No time to pray, no bell to toll, no burial for the dead
Cannons speak the fatal words, the language of death
Wipes away to many men, takes away their breath
Heat and fire, burning pyre
Smoke and flames, a raging hell
Death and blood, the fatal rub
Blows away "Soleil Royal"
Heat and fire, burning pyre
Smoke and flames, a raging hell
Death and blood, the fatal rub
Blows away "Soleil Royal"
