The sky's swirling black  
And choking fog blots out the sun  
The last echo is silenced  
New dark age has begun

The count-down was final  
Red button ran out of control  
No deposits required  
Paradise won't take your soul

A living hell  
For the stumbling few  
Paying the price  
For the likes of you

The once green earth  
Is scattered with horror and gray  
No winners, just losers  
Who die with a few month's delay

The count-down was final  
Red button ran out of control  
No deposits required  
Paradise won't take your soul

A living hell  
For the stumbling few  
Paying the price  
For the likes of you

Man's not immortal  
Despite killers bunkered so deep  
A voice in the darkness  
Warned against blind folded leap

A living hell  
For the stumbling few  
Paying the price  
For the likes of you.
