Evil souls and blackest hearts, lurking in the night
A darkened race, so mean and sly, they keep away
from light
Ancient words tell dreadful tales about other sides
About it's world where demons live and where the evil
hides
They invade the world with war and pain to save their
evil aim
Their power's build on blackest lies, but man will pay
it's price
Underworld, the centre of the blackest heart
Underworld, where the evil side hides in the dark
They've ruled the world through history, the lords of
war and crime
Military and government, they're brought into line
Men in black, they cover up the sight of U.F.O.'s
Their power's save as long as there is no one who
knows!
They invade the world with war and pain to save their
evil aim
Their power's build on blackest lies, but man will pay
it's price
Underworld, the centre of the blackest heart
Underworld, where the evil side hides in the dark
[Solo]
Churches built on holy spots it's energy to ban
Exposing truth, who's the church? blackest kind of men
Religion's made to obscure the mind, living on it's lies
Who's the one to wear it's crown? the devil! no
disguise!
They invade the world with war and pain to save their
evil aim
Their power's build on blackest lies, but man will pay
it's price
Underworld, the centre of the blackest heart
Underworld, where the evil side hides in the dark
Underworld, where laws were made to hide the truth
Underworld, where evilness and darkness rules
You have eyes to see, nevertheless you see nothing
You have a soul to feel, nevertheless you feel nothing
You have a mind to know, nevertheless you know

nothing

That is the way we want you to be!!! HO HO HO ...
