"Wheel Of Doom"

Religious madness is made to rule, fights the sceptic
with hate
Blind believers, the credulous fool, weak and delivered
to fate
A slave to science, prejudice-view, it's constant dogma
is law
Caught in dumbness, no mind, no clue, ignorant down
to the core
It's you, keeping the hand on the wheel
It's you, ruling the fate
It's you, keeping the power to change the world
Before it's too late
The wheel of doom, turning circles
The wheel of doom, your hand on the wheel
The wheel of doom, light or darkness
The wheel of doom, no lying, no deal
They cheat and lie and lie and cheat, stagnation is
serving their aim
Materialists gonna feed their greed, praising the evil's
name
Blinded tools made to obey, no mind, no thoughts, no
repent
Deny the truth and you'll have to pay, you ruin yourself
at the end
It's you, keeping the hand on the wheel
It's you, ruling the fate
It's you, keeping the power to change the world
Before it's too late
The wheel of doom, turning circles
The wheel of doom, your hand on the wheel
The wheel of doom, light or darkness
The wheel of doom, no lying, no deal
[Solo]
Don't stuck on relics that block your way, don't be a
wheel in their
Gear
So free yourself or you'll have to pay, open your eyes,
wipe away your
Fear
It's you, keeping the hand on the wheel
It's you, ruling the fate

It's you, keeping the power to change the world
Before it's too late
The wheel of doom, turning circles
The wheel of doom, your hand on the wheel
The wheel of doom, light or darkness
The wheel of doom, no lying, no deal
The wheel of doom
