Dark red blood colours me  
A thick black cloud lies over  
Blood rains down from an angel's cunt  
I drink the liquid of power

Entering my black dreams  
A world without borders  
Where whores suck my flesh  
And where my evil thoughts unite

To the north I see an icy mirror  
Reflections so deep blue  
So I look straight into it  
And I see my own god

The angel is crucified  
With cold silvery nails  
Raped with two goathorns  
The black and the unnamed

It's the dawn of the sixth june  
Temples of christ burn bright  
I fly in the deepest blackness  
My inner hell my light...
