You're welcome
Children of the night
To my world of chaos
Sanity is just
A weird form of madness
Open your pity souls
And taste the power
Of my dark spirit

The ashes scatters
In the mists of time
The blood spilled
In the meadows
Dried since long ago
How I long
To own such power
Perhaps I will obey
The dark spirit's call

Is this torture never ending
Is this pain inside me real
Is this the price to pay
Overwhelming lust all I feel

He leads my steps to the
Ancient darkwell ground
A reflection of my image

Cold water starts to move
With a scary sound
In the well the spirit rises

Is this torture never ending
Is this pain inside me real
Is this the price to pay
Overwhelming lust all I feel

Offer your soul my child
O take it o Lord

Give it to me now
I'm only yours

Swear your oath
To me
I swear

You're one of
My creatures now
Why the pain
Doesn't end

Is this torture never ending
Is this pain inside me real
Is this the price to pay
Overwhelming just all I feel
