### Verse 1

Same old story.  
Same old lines a thousand times.  
I've been there, I've done that  
There is no safe bet  
And we're both scared.  
We're both scared to death.

### Chorus

But tonight  
As we lie  
Underneath the stars  
I can't fight  
I can't deny

### Verse 2

Bruised and broken  
Two kids with their wounds wide open.  
And we're getting closer.  
We haven't a clue  
What we're about  
To get into.

Repeat chorus

### Bridge

When the sun rises, will it stay this way?  
When the sun rises, will you stay? Will you stay?

Repeat chorus

(Time passes by way too fast. When I wake up, can we  
lay this way forever?)
