Humidity
Is rising
Barometer's
Getting low
According
To our sources
The street's
The place to go

Cause' tonight
For the first time
Just about
Half past ten
For the first time
In history
It's gonna start
Raining men

It's raining men
Hallelulah
It's raining men
Amen

It's raining men
Hallelulah
It's raining men
Amen

Humidity
Is rising
Barometer's
Getting low
According
To our sources
The street's
The place to go

Cause' tonight
For the first time
Just about
Half past ten
For the first time

In history
It's gonna start
Rainin' men

It's raining men
Hallelulah
It's raining men
Amen

I'm gonna go out
I'm gonna let
Myself get
Absolutley
Soaking wet

It's rainin men
Hallelulah
It's raining men
Every special men

Tall blonde dark
And lean
Rough and tough
And strong and mean

God bless
Mother Nature
She's
A single woman too
She took over heaven
And she did
What she had to do

She fought
Every angel
To rearranged
The sky
So that each
And every woman
Could find
The perfect guy

It's raining men

Don't get yourself
Weather Girls
I know you want to

I feel
Stormy wheather
Moving in

About to begin
Hear the thunder
Don't you loose
Your head
Rip off the roof
And stay in bed
(Rip off
The roof and stay)

It's raining men
Hallelulah
It's raining men
Amen

It's raining men
Hallelulah
It's raining men
Amen

It's raining men
Hallelulah
It's raining men
Amen

It's raining men
Hallelulah
It's raining men
Amen

It's raining men
It's raining men
It's raining men
