Rupaul
"Kinky/freaky"

Oops, gotcha callin' me, I oops, gotcha wantin' me
Yo, girl is pissed at me, but it ain't my fault you like it kinky
Oops, got him callin' me, I oops, got him wantin' me
Got two hatin' me, but it ain't my fault he like it freaky

I'm lookin' at you and I can see you lookin' at me too
Well well, what's up? Tell me what'cha wanna do
Boy, it ain't no time for you to be actin' shy
I know you like what you see, and baby so do I

If you want some of this, it's okay
If you can't handle the game, then don't play
You ain't never had it quite this way
This ain't the crying game

Tell me are you man enough to take it
You ain't gotta be scared, I know you want this
Since you already here, why don't we do this
I'm gonna put it down, baby are you down?

Oops, gotcha callin' me, I oops, gotcha wantin' me
Yo, girl is pissed at me, but it ain't my fault you like it kinky
Oops, got him callin' me, I oops, got him wantin' me
Got two hatin' me, but it ain't my fault he like it freaky

Now it's two o'clock
And I'm ready to shake the spot
You said, "Can you come wit me?"
So I said, "Why not"

You said, "It's 'bout to be on"
'Cause you see through my dress the red thong
But I gotta tell you somethin'
If you down then nothin's wrong

If you want some of this, it's okay
If you can't handle the game, then don't play
You ain't never had it quite this way
This ain't the crying game

Tell me are you man enough to take it
You ain't gotta be scared, I know you want this
Since you already here, why don't we do this
I'm gonna put it down, baby are you down?

Oops, gotcha callin' me, I oops, gotcha wantin' me
Yo, girl is pissed at me, but it ain't my fault you like it
kinky
Oops, got him callin' me, I oops, got him wantin' me
Got two hatin' me, but it ain't my fault he like it freaky

Ooh I, know you wanna feel my body
Kinky freaky, freaky kinky
Ooh you, didn't know what you stepped into
Freaky kinky, now you needin' me

Don't be callin' me wit dis bullshit, I don't need this
You can gone and gimme yo address, then we can do
this
Say my man is over there hittin' it, then you's a dead
bitch
You gone be missin' in action

Do you know who I am, girl? I'm RuPaul
Don't be mad 'cause I got it all including yo man balls
We was bouncin' while you waitin' at the mall
He told me I was he sexy ghetto chocolate Barbie doll

Hold up, wait a minute, what are you saying? Help me
understand
Last time I checked I thought you was a man
I'm more than a man, just ask yo man-he knew what he
was doing
When he unzipped his pants

You thought you were his one and only
He bone me and bone me ass kissin'
Penetratin' the middle all on me, shit
He wanted me, fondling me, climbing up my sugar
walls
He left his drawls on my canopy

Oops, gotcha callin' me, I oops, gotcha wantin' me
Yo, girl is pissed at me, but it ain't my fault you like it
kinky
Oops, got him callin' me, I oops, got him wantin' me
Got two hatin' me, but it ain't my fault he like it freaky

Oops, gotcha callin' me, I oops, gotcha wantin' me
Yo, girl is pissed at me, but it ain't my fault you like it
kinky
