Woke up this morning, it's a brighter day  
I looked in the mirror, saw a new face  
Cause I got myself together, steppin' in time  
Everything's better, this day is mine

How do I look? you look good!  
How do I feel? you feel good!  
How do I look? you look good!  
You're looking good and feeling gorgeous

Well, she walks real steady  
In her high heel steppers  
She got lots of style  
She got lots of class

Yes I'm confident and self-assured  
No holdin' back, not like before  
Cause I know what I want, can't settle for less  
Not tryin' to flaunt it, I just want the best
