People are people, so why should it be
You and I should get along so awfully
People are people, so why should it be
You and I should get along so awfully

So we're different colors and we're different creeds
And different people have different needs
It's obvious you hate me though I've done nothing
wrong
I've never even met you, so what could I have done

I can't understand
What makes a man
Hate another man
Help me understand

People are people, so why should it be
You and I should get along so awfully
People are people, so why should it be
You and I should get along so awfully

Help me understand
Help me understand

Now you're punching and you're kicking
And you're shouting at me
I'm relying on your common decency
So far it hasn't surfaced but I'm sure it exists
It just takes a while to travel from your head to your fist

I can't understand
What makes a man
Hate another man
Help me understand

People are people, so why should it be
You and I should get along so awfully
People are people, so why should it be
You and I should get along so awfully

I can't understand
What makes a man

Hate another man
Help me understand

I can't understand
What makes a man
Hate another man
Help me understand

I can't understand
What makes a man
Hate another man
Help me understand
